

PRESS RELEASE

For Immediate Release 3rd July 2013

Witherby and Todd Navigation to complete development of the 'Digital Outfit Manager'

Witherby Digital and Todd Navigation, have signed a letter of understanding to work together and use the knowledge and expertise of both organisations to expand the development of the Digital Outfit Manager, a software product for shipboard use.

The 'Digital Outfit Manager', currently manages publications, regulatory products and other subscription services. Additional content and services, arising out of this new joint venture, will be announced during the course of 2013.

About: Witherby Digital

Witherby Digital is a wholly owned subsidiary of Witherby Publishing Group (WPG).

Under the Witherby Seamanship brand, the company has been involved in producing, protecting and publishing eBooks for more than 10 years, and it is calculated that there are over 300,000 Witherby Seamanship eBooks in use today.

WPG publishes for the industry bodies OCIMF, SIGTTO, SKULD, IACS and ITOFF.

About: Todd Navigation

Todd Chart Agency Limited, trading as Todd Navigation, is the largest independently owned chart agent in the United Kingdom.

Todd Navigation is an International Admiralty Chart Distributor, appointed by the UKHO, that supplies a fast, cost effective and quality paper and digital chart service to Merchant Shipping.
